

Pipeline Supervisor

🌟 We're Hiring: Pipeline Supervisor – GRE/DI/HDPE 🌟

Freiburg is seeking an experienced **Supervisor – GRE/DI Pipeline** to join our team for **multi-million-dollar Oil & Gas Field water pipeline and Sewerage Process/Treatment Plant projects** in Abu Dhabi.

Key Requirements / Qualifications:

- ✓ Proven experience as a **Supervisor** in **GRE or DI pipeline or HDPE installation projects**.
- ✓ Hands-on knowledge of **pipeline laying, jointing, testing, and commissioning**.
- ✓ Ability to **lead a team of technicians** ensuring quality and safety.
- ✓ Familiarity with **project execution, documentation, and site safety standards**.
- ✓ Strong **communication, reporting, and coordination skills**.
- ✓ Minimum **5–10 years experience** in pipeline projects (Potable Water, Sewage, or Oil & Gas).

Responsibilities:

- Supervise **GRE and DI pipeline installation activities** on site.
- Ensure compliance with **project specifications, HSE standards, and client requirements**.
- Monitor **daily progress, resources, and productivity**.
- Coordinate with **Project Engineers, QA/QC, and HSE teams** to resolve site issues.
- Maintain **accurate site records, reports, etc**

📍 **Location:** Jebel Dana, Abu Dhabi – Site-based

📄 **Experience:** Minimum 5–10 years in **GRE/DI pipeline projects**

✉️ **Apply now:** Send your CV to career@freiburgcgm.ae and be part of a team delivering **high-quality pipeline projects**.
